# Conta e scrivi il numero giusto

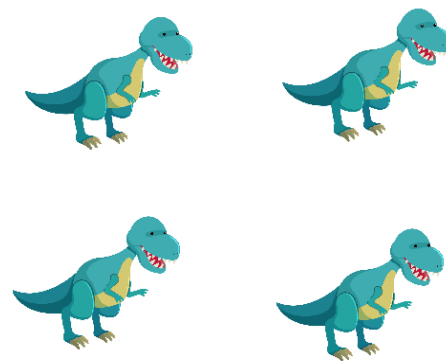

Five green long-necked dinosaurs are arranged in two rows: two in the top row and three in the bottom row. Below the dinosaurs is a large empty circle for writing the count.

Three purple pterosaurs are arranged in two rows: two in the top row and one in the bottom row. Below the pterosaurs is a large empty circle for writing the count.

Two blue triceratops are arranged in a single row. Below them is a large empty circle for writing the count.

Four blue T-Rex dinosaurs are arranged in two rows: two in the top row and two in the bottom row. Below the dinosaurs is a large empty circle for writing the count.

One orange dinosaur is centered in the box. Below it is a large empty circle for writing the count.
